

Emergency 72

(standard tuning)

It's basically just these two chords all the time:

```
F#7  B
-----
- 2 --- 7 -
- 3 --- 7 -
- 2 --- 8 -
- 2 --- 7 -
- 4 --- 9 -
- 2 --- 7 -
-----
```

F#7 B  
Well all my colours bleed for you

F#7 B  
Can't you see them running?

F#7 B  
My hazy hills glow green for you

F#7 B  
You could just call me, you know?

F#7 B  
On my mobile number

F#7 B  
Because I'm always in

F#7 B  
And I was just thinking

F#7 B  
About you on e-mer-gen-cy

F#7 B  
72 72 72 72

Well all my lust comes down to dust

Can't you see it crumbling?

My hazy hill come down to rust

But you could call me, you know?

You're pulling me out of this whirlpool

Your making me breathe again

And I was just thinking about you on e-mer-gen-cy

72 72 72 yeah

F#7 B F#7 B  
And I just can't forget 72  
And I just can't forget 72

72 72 72 72 72 yeah 72

72 72 72 72 72 yeah 72

72 72 72 72 72 yeah 72

72 72 72 72 72 yeah 72

(repeat forever)
