Intro:

Bm Am Em F#m x 2

Verse 1:

Bm Am
If i was a farmer
Em F#m
Instead of a faker
Bm Am
If i was a realer

Em F#m
and not just some raker

Raking through a memory
that doesn't belong to me
Just someone I could of been
if only i kept walking...

Chorus:

D G
Have another drink my son

D G
Enjoy another cigarette

D G
'Cos it's time you realised...

Em Bm
you're just an average man...

Repeat verse:

Alone on a motorway

you catch you're breath
Cat's eyes lead everywhere
to lonesomeness
Since you learn to hide your fears
and downsize your dreams
Still alive, still sincere
inside the scheme...

Repeat chorus

Have another drink my son
Enjoy another cigarette
For it's time you realised...
You're just an average man...

Bridge:

Bm D G Em
 And if this is darkness here

Bm D G Em G
 And if this is darkness... coming

Repeat chorus

Have another drink my son
Enjoy another cigarette
For it's time you realised...
You're just an average man...
