Chorus

Bm Am
The end, the end, the end, the end, the end

F#m11 D B
My friend, where's the end?

Bm Am
You're up, you're down, you're in the ground in the end

F#m11 D B
My friend, where's the end?

Post-chorus

B F#m11 D B

Then back to the verse.

After the second chorus play the post-chorus twice, then the when the drums kick back in play the chorus twice. When the na-na-na-na bit starts, play D and B. Then play the post-chorus again twice and finish on B.

This was a right b*gger to figure out so sorry if it's confusing/wrong.
