

Angel Of The Morning

(standard tuning)

G = 320030

C = 870080

D = X900X0

X = 10

G                    C                    D            C D  
Girl you're my angel, you're my darling angel  
G                    C                    D    C    D  
Closer than my peeps you are to me, yeah yeah  
G                    C                    D            C D  
Girl you're my angel, you're my darling angel  
G                    C                    D    C    D  
Girl you're my friend when I'm in need, yeah yeah

G                    C  
Life is one big party when you're still young  
D                    C                    D    G  
But who's gonna have your back when it's all done  
G                    C  
It's all good when you're little have pure fun  
D                    C                    D    G  
You can't be a fool son, what about the long run?

Looking back Shorty always a mention  
Say me not giving her much attention  
She was there through my incarceration  
I wanna tell the nation my appreciation

G                    C                    D            C D  
Girl you're my angel, you're my darling angel  
G                    C                    D    C    D  
Closer than my peeps you are to me, yeah yeah  
G                    C                    D            C D  
Girl you're my angel, you're my darling angel  
G                    C                    D    C    D  
Girl you're my friend when I'm in need, yeah yeah

Some people call me the space cowboy, yeah yeah  
Some call me the gangster of love  
Some people call me Maurice  
Cos I speak with the prophecies of love

G                    C                    D            C D  
Girl you're my angel, you're my darling angel  
G                    C                    D    C    D  
Closer than my peeps you are to me, yeah yeah  
G                    C                    D            C D  
Girl you're my angel, you're my darling angel  
G                    C                    D    C    D  
Girl you're my friend when I'm in need, yeah yeah
